

**Instructions for Continued Airworthiness
Sabreliner 2 Place Divan**

**STC # SA2878SW
Complete Unit P/N 62-0258**

Applicable Aircraft Models:

Sabreliner NA265-60, NA265-65, NA265-70, NA265-80

Introduction

1. The purpose of these Instructions for Continued Airworthiness (ICA) is to provide the maintenance technician's with the information necessary to ensure the continued airworthiness of the Aviation Fabricator's 2 Place Side Facing Divan assembly per master drawing list AF-255.
2. Modification of the aircraft by this Supplemental Type Certificate obligates the aircraft operator to include the maintenance information provided by this document in the operator's Aircraft Maintenance Manual and the operator's Aircraft Scheduled Maintenance Program.

Maintenance Instructions

1. To comply with FAR 25.1529 continue the new divan on the same inspection and maintenance schedule used per the Sabreliner Maintenance Manual.
2. For Restraint System inspection contact the restraint manufacturer for inspection information.
