### Introduction

1. The purpose of these Instructions for Continued Airworthiness (ICA) is to provide the maintenance technician's with the information necessary to ensure the continued airworthiness of the Aviation Fabricator's Table Assemblies per master drawing list AF-201.
2. Modification of the aircraft by this Supplemental Type Certificate obligates the aircraft operator to include the maintenance information provided by this document in the operator's Aircraft Maintenance Manual and the operator's Aircraft Scheduled Maintenance Program.

### Maintenance Instructions

1. To comply with FAR 23.1529 continue the new tables on the same inspection and maintenance schedule used per the Cessna Maintenance Manual.
