

SENTINEL SEAT

FOR THOSE WHO FLY AS SENTINELS
OF FREEDOM

avFAB 
AVIATION FABRICATORS

LIGHTWEIGHT, COST EFFECTIVE, MISSION BUILT

The Sentinel Seat is the lightest and most cost effective ISR focused set on the market. Designed with discipline, the Sentinel Seat delivers mission readiness without excess weight or cost.

Chosen by leading ISR operators and OEMs, the Sentinel Seat has now flown over 100 million miles as sentinels of freedom have defused threat after threat.
